

Have fun and support the community with Neil Stone's Karate Academy!

Andres Institute of Art is teaming up with
Neil Stone's Karate Academy for a 6-week new year program!

We are offering these six weeks (a \$250 value) with NSKA for you
and your families *for only \$100*. **ALL PROCEEDS** go to support the
Andres Institute of Art. This program runs:

January 22-March 3, 2018

We are a Character Development Academy, which means that in addition to
valuable self-defense and physical skills, our students LIVE the martial way.
We work hard to instill in every student our Eight Virtues of a Black Belt:

*Modesty - Courtesy - Integrity - Compassion - Gratitude - Perseverance - Self
Control - Indomitable Spirit*
